Note: *North East Global has confirmed on the portal that it intends to avail the capital incentive under MOPFI. Consequently, the unit will not be eligible for CII benefits under the UNNATI scheme.

**It was noted that the original land documents (ILRMS, Jamabandi, and the Sale Deed) were issued in a regional language, and the State Government of Assam has not provided validation for the same. The registration of M/s N R Industries is being considered based on the confirmation of the PIU team that the land ownership documents have been duly verified.

***It was noted that M/s Chessa Tea Factory has already availed the Capital Interest Subvention (CIS) under the AIF Scheme, as shared by the PIU. Accordingly, the unit is not eligible for CII benefits under the UNNATI Scheme.

**** Unit has submitted Unregistered Lease Deed for 60 years from AIDC w.e.f 03/05/2025. As per the 6th Steering Committee Meeting minutes dated 20th February 2026, the Committee decided that a relaxation may be extended to units that have already been allotted Government land but are awaiting completion of the lease deed registration process. The relaxation shall be valid for **six months** from the date of registration under UNNATI. Units availing of this relaxation must obtain and submit the registered Government lease deed within this extended period. Failure to do so will result in de-registration of the concerned unit under UNNATI, and such units will not be eligible to submit any claims under the Scheme.

#In case of units engaged in tea manufacturing, the respective State Government must verify whether these units are availing incentives from the Tea Board. If so, it must be ensured that there is no overlap between the incentive components provided by the Tea Board and those

available under the UNNATI Scheme, prior to either unit submitting any incentive claim under UNNATI.
