**The registration for M/s Farmism Foods was approved. However, it was observed that the photographs of the unit submitted by the State are not clear. Accordingly, the State Government is requested to submit fresh and clear photographs of the unit for record and verification purposes.*

***As observed, the proposed project of KBC Hospitality includes a hotel with 10 rooms and a Gaming Facility. Accordingly, the GST for KBC Hospitality must be treated separately and should not include services related to the gaming facility. This clarification needs to be confirmed by the State Government of Assam.*

****Global Protection Industries Unit III has submitted a registered lease deed, valid w.e.f. 01 November 2025 for a period of five years, executed in the name of the unit. The unit has to ensure that at the time of claim submission, the unit must furnish a valid registered land document corresponding to the year in which the claim is filed, to ensure compliance with Scheme requirements.*

***** It has been noted that Subh Karan Food Park Unit III has applied for Capital Subsidy under the Ministry of Food Processing Industries (MoFPI). However, it has also applied for Capital Investment Incentive (CII) under UNNATI as well. As per the provisions of the Scheme, units that are already availing capital subsidy or similar financial assistance from another Central Government scheme for the same assets are NOT eligible for (CII) under UNNATI. The Unit will only be eligible for Capital Interest Subvention (CIS) & Manufacturing and Services Linked Incentive (MSLI) under UNNATI the scheme.*

***** The registration for **Power Roofings** was approved. However, it was observed that the **photographs of the unit submitted by the State are not clear**. Accordingly, the **State Government is requested to submit fresh and clear photographs of the unit for record and verification purposes**.

***** It was noted that **G K Plastic Industry** has submitted a **non-registered lease deed** from Government of Manipur w.e.f 08th Jan 2026. As per the 6th Steering Committee Meeting minutes dated 20th February 2026, the Committee decided that a relaxation may be extended to units that have already been allotted Government land but are awaiting completion of the lease deed registration process. The relaxation shall be valid for **six months** from the date of registration under UNNATI. Units availing of this relaxation must obtain and submit the registered Government lease deed within this extended period. Failure to do so will result in de-registration of the concerned unit under UNNATI, and such units will not be eligible to submit any claims under the Scheme.

*****As observed, **Floyd Medical Centre** has also applied for Manufacturing and Services Linked Incentive (MSLI) however, healthcare units are GST exempted hence the unit shall not be eligible for the same. Accordingly, the Unit will only be eligible for Capital Investment Incentive (CII) & Capital Interest Subvention (CIS) under UNNATI the scheme.
